## CONSULTING & HANDS-ON HELP FOR NONPROFITS

We are passionate about helping nonprofit organizations thrive. Our clients consider us part of their team without the cost or long-term commitment required when hiring a permanent staff person. We can save you time, money and provide recommendations as well as hands on help. Below are just a few of the many areas we can come alongside you and your nonprofit.

### CLIENT TESTIMONIAL

Not only is her work exquisite, she has a beautiful heart and personality to match. We are so grateful to have found her and plan to do many more projects together with her.*
